WILLIAMS TO MAKE RACE

Positively Announces His Candidacy for Attorney-General.

Judge Samuel W. Williams, of Wythe county, was in the city yesterday and set at rest the rumors to the effect that he might not be a candidate for the Democratic nomination for attorney-general next year, by declaring positively that he was in the race, and would remain until the votes are counted.

Judge Williams is well known throughout Virginia as a self-made lawyer, and one of the most aggressive fighters for the Democratic party in the State.

He has been the unsuccessful candidate of his party for Congress in the Fourth District and Democratic elector for the district on another occasion.

He was a prominent candidate for attorney-general before the Norfolk convention in 1901, and for elector-at-large before the last State convention.

A Popular Idol.

Judge Williams is looked upon as a popular idol in Southwest Virginia, and is regarded there as a strong leader. He is a native of Pittsylvania county, and it

is said of him that as a farm hand he framed from this county to Bland, where he proposed to practice law, having picked up some scattering knowledge of that profession. On his journey he asked to be allowed to spend the night at a farm house in the far Southwest, but the owner was suspicious of the poorly clad young man and "turned him down." He rested in a near-by barn, and the next day went on his way. Later in life he established himself as a lawyer and married a daughter of the Bland county farmer who had declined to allow him shelter in his home, and now that lady is the happy Mrs. Williams.

The story is a romantic one, but it is all true, and comes from the lips of Judge Williams's close friends.

Mr. Gray Here.

Mr. E. A. Gray, member of the House of Delegates from Fluvanna and Goose counties, was in the city yesterday looking after some matters with relation to the appointment of a school superintendent for his county.

Emmett Watkins, colored, was arraigned before the Circuit Court of Henrico yesterday on the charge of entering the home of A. B. Bryant, on the Nine Mile road, and stealing \$2.00. He was found guilty and sentenced to serve one year in the penitentiary.

Order of the Eastern Star.

The monthly meeting of Ruth Chapter, No. 10, E. S., will be held at the Masonic Temple next Monday evening at 8 o'clock.

Were Quietly Wedded.

Mr. H. E. Noble and Mrs. Rosa L. Well were quietly married Monday afternoon at 4 o'clock. Dr. Gardner, pastor of Grace Street Baptist Church, performed the ceremony.

The people of Richmond have never been appealed to in vain in behalf of the poor. They are always ready to help. They have that privilege now.

MUNYON'S POWER

Over Disease Is Being Clearly Demonstrated Everywhere.

ALL ELEMENTS

Of the Most Stubborn Character Promptly Cured by His Remedies.

Of course, in all communities there are some who decline to accept the truths of science, no matter how conclusively they are presented. They continue a miserable existence, racked by pain and distressed in body and mind, rather than surrender their preconceived notions as to what ought to be and what should be.

These cases are hopeless, and I am quite willing to leave them to their own devices. People, however, who are afflicted in pain, who want to be made well, and will accept cure when it is offered them, are the ones in whom I am capable, I CAN CURE YOU.

Munyon's Pain-Expeller, a grand old cure, and a tonic known, it builds up the run-down, gives strength to the debilitated, restores ambition and energy, and gives old folks feel young and the weak feel strong.

My Rheumatism Cure has rid more people of this distressing disease than all other remedies combined. I will return the money to any rheumatic whom it will not help.

Kidney disease in nine cases out of ten yields promptly to my Kidney Cure and Bright's Disease is frequently prevented by its use.

If you are constipated or bilious or are troubled with headaches arising from a disordered stomach, take a few doses of my Pain-Expeller, and you are taking how quickly you will feel better.

Colds, which come with the rainy season, and which frequently end in bronchitis, grip and other deadly pneumonia, can be cured quickly and surely with my Cold Cure.

At these times a few of my remedies. Why not ask your druggist for my "Guide to Health," which is free and which tells you how to keep well? It is a book you need in a serious illness.

Remember that all of my remedies are absolutely harmless. In taking them you are such cheerful and healthy as taking drastic and debilitating drugs. They are safe. They are sure—MUNYON.
